

Community Activities

The planned community activities for the Fraternal Year 2019-2020 had been completed prior to the shutdown. The last remaining item is the school awards presentation. A separate article will appear in this newsletter detailing the awards and the recipients.

Planning is underway for the community activities for the 2020-2021 Fraternal Year. The youth activities schedule has been set of the upcoming year.

Even though we have been shut down, Brother Steve Jendrysik and his wife Cathy helped the parish office staff make phone calls to shut-ins and check on them. Brother Steve and Cathy, thank you for providing that assistance.

Dale Haas
Community Activities Chair
