

## **The Knight Crew**

A heads up for the Knight Crew. We have been cleared to aid the parish by the State Advocate.

We will need a crew to assist in the cleaning of the Finegan Center and the Church Hall. The schedule is still pending, but we are looking at the last week in June. We will be scheduling two workdays. One will be to move tables and chairs in the Finegan Center, so the maintenance staff can redo the floors in the Finegan Center. While they are doing the floor, we will be cleaning and sanitizing the tables and chairs. The second workday will be for pressure cleaning the tables and chairs for the Church Hall. In addition, we will be cleaning the blinds in the Church Hall.

We need 8 to 10 volunteers for each workday. The exact schedule will be established when we get a confirmation from the maintenance staff as to when they will be getting the floor scrubber. So, please be ready for an email blast later this month for the call to action.

Thank you in advance for your participation.
