

**Community Activities**

Brother Jim Costa, a retired firefighter, came up with the idea that our council could thank the medical staffs and first responders of our community, who are dealing with the COVID-19 pandemic, by giving them boxes K of C Tootsie Rolls, along with at thank you card. Brother Costa wanted to target those with their "boots of the ground". Brother Costa visited the following facilities to deliver the candy:

- Doctors Hospital
- Sarasota Memorial Hospital
- Sarasota 911 Dispatch Center
- Sarasota Emergency Operation Center
- Sarasota County Sheriff Deputies and Civilian Service Workers
- Sarasota Fire Stations #2, #11 and #12

You can see from the accompanying photos that the boxes of Tootsie Rolls were well recieved.

Our thanks go out to Brother Costa for not only coming up with the idea, but for delivering the Tootsie Rolls to the various agencies.

Dale Haas  
Community Activities Chair
