

## KNIGHTS PRAYER LINE

As you all know, at each meeting we offer prayers for various Knights' intentions. In order to pray for Knights' intentions each day, we are instituting a Knights Prayer Line. This will be by Knights for Knights.

Deputy Grand Knight-elect, Ed McArdle, is going to spearhead this effort.

If you sign up to pray for your fellow Knights (and their families), you will get a single e-mail each week with the requests for the week. If you wish to sign up for this weekly e-mail and to offer prayers each day, please send an e-mail to Ed McArdle at [ed6515mcardle@gmail.com](mailto:ed6515mcardle@gmail.com) with the subject: Sign me up.

If you wish to add someone to the prayer list, the send an e-mail to Ed at the same address with the subject: Prayer Request.

Please include the person's first and last name as well as what the issue is. If you do not want the last name used, let Ed know and he will use the first name and the first letter of the last name. He will also include a very brief description of what you are requesting the prayer for. For example, cancer, Covid-19, etc.

We will be importing the current prayer list to this list. If you wish to remove someone from the list, just let Ed know and he will remove them.

This is not meant to imply that people cannot be on both the Incarnation Prayer Line as well as the Knights Prayer Line.
