

**Incarnation Council Business Meeting  
Council Activities Report  
Charlie Culkin, Director  
March 15, 2020**

## **COUNCIL ACTIVITIES REPORT**

### **Bingo**

- The February 14<sup>th</sup> Bingo only had 63 patrons. By reducing the prize money, Bingo netted \$440 for the night. The March 27<sup>th</sup> Bingo has been cancelled and the April 17<sup>th</sup> and May 15<sup>th</sup> events are in jeopardy because of the coronavirus.

### **Pancake Breakfasts**

- The February 23<sup>rd</sup> Pancake Breakfast was cancelled because of Spring Training Baseball. The March 29<sup>th</sup> Breakfast has been cancelled and the April, May and June events are in jeopardy because of the coronavirus

### **Spring Training Baseball**

- Because of the coronavirus, Major League Baseball suspended Spring Training Baseball on March 12<sup>th</sup>. Only nine of the planned seventeen games were played. This was unfortunate because the Incarnation and St. Thomas More "Team" was doing a great job. I estimate that our Council's share of the commissions and tips will be around \$4,400.00.

### **STREAM Program Raffle**

- To date, Incarnation School Parents and Council Brothers have sold \$3,230.00 of STREAM Raffle Tickets. School Principal Coleen Curlett has developed incentives to get more tickets sold at the school level..
