Grand Knight's Report.....

Grand Knight's Report.....

I hope everyone is doing well in this brutal winter we are facing here in Sarasota. It's been a refreshing break from the heat, and I'm sure we are all eager to enjoy more of these mild temperatures before the season concludes.

On a sad note, we experienced the end of our time with Fr. Eric as our Paster, more on this later in the newsletter. Now we look forward to starting our new relationship with Fr. Mark as he takes the lead in our Parish.

As we all know, January marks the start of our busiest volunteer season, which includes the Citizens with Disabilities Drives, Lenten Fish Fries, and Spring Training Baseball Games. We need everyone to step up whenever possible, even if it's just for a short time. Every moment is valuable, so please keep an eye out for SignUpGenius notifications as they are released. Remember, the baseball volunteer positions are already filled, and many of the brothers who typically help with the fish fries will be occupied with the games. Therefore, we greatly need your help! The roles are straightforward, so you can easily pick them up on the job. So, sign up, show up and we will make sure you know how to contribute.

It was a great Honor to present Fr. Eric with the "In Solidarity With Our Priests" award in appreciation for his dedicated and devoted service to the Church of the Incarnation during his 7 years here.

I truly hope he knows the Profoundly positive impact he had on this Council and Parish!

It was fitting that we presented this while we were serving the Parish at our pancake breakfast.

You will always be missed and never forgotten Reverend Eric Scanlan, Pastor!

Vivat Jesus!

ONE MEMBER, PER COUNCIL, PER MONTH

Membership growth is essential to the success of the Knights of Columbus. With the addition of each new member, the Order can better serve the Church, local communities and particularly those in need. But it isn't just the Order that benefits from a new member. Each new Knight benefits also.

Since its beginnings, the organization has promoted the principles of charity, unity, fraternity and patriotism. Knights contribute to the welfare of their parishes and communities, and seek to help the needy through financial and volunteer support.

In addition to the fellowship and faith development that Knights enjoy through their affiliation, the Knights offer a top-rated and competitively priced insurance program for the security of member families.

Please do your part as a member of Incarnation Council #15332 to recruit a new Knight.

FEBRUARY FINANCIAL ADVISOR MESSAGE

Do you have goals in mind for this year?

It may be February, but the year is still fresh. Instead of new year's resolutions, I like to think in terms of setting concrete, actionable goals. I recommend that at least once a year, you make it a goal to take inventory of your financial health.

You can start by asking yourself if you've experienced any major life events in the last year that may call for an update to your insurance plan or to acquire a policy for the first time. If you've gotten married, welcomed or are expecting a baby, changed careers or purchased a home, these are good reasons to evaluate your life insurance coverage.

Don't forget that if your life insurance policy is dependent on your current employer, you could be underinsured and only protected while you are still working.

It's also important to consider whether you're on track to maintain the lifestyle you want in retirement. Do you know how much money you'll need to retire comfortably?

Finally, consider if you're missing an opportunity to grow your assets. With faith-based investment options through our affiliate, Knights of Columbus Asset Advisors, you can pursue your financial goals with products that adhere to Catholic investment guidelines. It's not too late to set goals for 2026.

I'd love to sit down with you and conduct a complimentary needs analysis. If you have any questions, please come chat with me and we can schedule a time to meet.

Thank you! Lastly – please click on this video link and share this with your families.

And before I go, I'd like to share with you the story of our late brother Knight Brad Wolf. Brad was a past grand knight in Texas who chose to protect his family with a Knights of Columbus insurance policy. That decision became a lifeline for his family — allowing his wife, Dena, and their daughter, Riley, to remain in their home, free from the fear of financial hardship.
